

Seasons (Waiting on You)

Future Islands

Seasons change, and I tried hard just to soften you
The seasons change, but I've grown tired of tryin' to change for you
Because I've been waiting on you
I've been waiting on you
Because I've been waiting on you
I've been waiting on youAs it breaks, the summer awaits
But the winter washed whats left of the taste
As it breaks, the summer awaits
But the winter craved whats lost
Crave whats all gone awayPeople change, even though some people never do
You know when people change
They gain a piece but they lose one too
Because I've been hanging on you
I've been waiting on you
Because I've been waiting on you
I've been hanging on youAs it breaks, the summer awaits
But the winter washed whats left of the taste
As it breaks, the summer awaits
But the winter craved whats lost
Crave whats all
Crave whats all gone away
