

Make Her Say

O-Town

Advisory - the following lyrics contain explicit language:

In a world of posers, phonies and pure wannabes
There finally emerges a group which has come to set the record straight
So, all you suckers better recognize, ya heard?
Can you say say uh uh uh, nah nah nah? Make her say uh uh nah nah nah nah
Wanna make her say uh uh nah nah nah nah
Wanna make her say uh uh uh uh nah nah nah nah
Wanna make her say uh nah nah nah nah nah Hey, outta New Orleans, I met a fly girl, she's about nineteen
In the third row, cornrows dancin' slow she's as cool as an Eskimo
Yo, oh no I think she's feelin' my flow
I said come on baby girl lets meet up after the show
At the hotel, motel Holiday Inn, baby that's when the story begins Oh no, she's got, everything I want in a girl
I know, I could take her round the world
She's just standin' there and all I wanna do is Make her say uh uh nah nah nah nah
Wanna make her say uh uh nah nah nah nah
Wanna make her say uh uh uh uh nah nah nah nah - Nah nah nah nah
Wanna make her say uh uh nah nah nah nah nah Woah, straight out of Maxim magazine
Hot girl, livin' so fresh and clean
In the bio, bio, even try to cut through, all this voodoo that you do Gotta make my move tonight, hey
Could be wrong but I think she's Mrs. Right
Full sail, from the time I seen her
Like the Nina, Pinta, Santa Maria Let's get, a little bit a coke, a swirl
Damn right, doubles bein' good to the girl
She's just standin' there and all I wanna do is Make her say uh uh nah nah nah nah
Wanna make her say uh uh nah nah nah nah
Wanna make her say uh uh uh uh nah nah nah nah
Wanna make her say uh nah nah nah nah nah You know what, when I seen you
We're about to set this song for real
Here we go, all I wanna do is make her say She had everything I want in a girl
I knew, I could sing around the world
Tanned skin, long brown hair
Kinda girl I knew could make me say Uh uh nah nah nah nah
She made me say uh uh nah nah nah nah

She made me say uh uh uh uh nah nah nah nah
She made me say uh nah nah nah nah Make her say uh uh nah nah nah nah
She made me say uh uh nah nah nah nah
She made me say uh uh uh uh nah nah nah nah
She made me say uh Here we go, come on, come on, come on
(Nah nah nah nah)
Uh uh uh nah nah nah nah
