Beautiful (You Are)

IMx

You're so beautiful
Beautiful to me
You're so beautiful
God sent you here for meHow could I have known my love for you
Would grow into something so beautiful
We started out as friends but now
My love to you I found, so sacred and so true
I promised all my love to only youYou're so beautiful
Beautiful to me
You're so beautiful
God sent you here for meAt night I pray
We'll meet and always stay
And when I say, "I love you"
In a special way, hey heyWith this ring
Now walk with me down the aisle
Always faithful never untrue
I wanna spend my life with only youYou're so beautiful
Beautiful to me
You're so beautiful
God sent you here for meYou're so beautiful
Beautiful to me
You're so beautiful
God sent you here for meLet me break it down
Romeo, tell her how I feel
I just love the way you make me feel
I just wanna listen to the music
I just wanna listen to the music
And think about your pretty smileI just think about you and only you
You're so special to me
I just love you
Please, don't you go nowhere
Just stay by my sideYou're so beautiful
Beautiful to me
You're so beautiful
God sent you here for meYou're so beautiful
Beautiful to me
You're so beautiful
God sent you here for meYou're so beautiful
Beautiful to me

You're so beautiful
God sent you here for me
