Bridges

Jeremy Messersmith

We could take the Buick
Lately we've been walking
Stomping on the bridges
Just outside of townSuddenly you tell me
You never felt so wanted
And you wouldn't mind
If I stuck aroundBut I'm gonna hurt you, make you cry
Only thing I need is time
I'm gonna hurt you, bleed you dry
Fog rolls on the river
Hands stuffed in our pockets
Barely making out
All the ships belowEven though I love you
I'll break you like a promise
Trust me when I say you're
Better off aloneI'm gonna hurt you, make you cry
Only thing I need is time
I'm gonna hurt you, bleed you dry
Your easy smile unfolded
When you took my hand
Somehow a perfect moment
Never felt so badI'm gonna hurt you, make you cry
Only thing I need is time
I'm gonna hurt you, bleed you dry
