I Surrender

F.R. David

Cause Im already gone,
Im on my way,
And my will is strong,
Nothing can make me stay,
Baby I know,
It wasnt you, who held me down,
But Ive to go,
A good love is going back,Cause Im already gone,
This is my life,
I wanna try it alone,
Just like a bird in flight,
Dont think that I,
Doesnt can mean so much to me,
Baby I need some time,
To know where I wanna live,I surrender, I surrender,
Then there is nothing to fight about,
I surrender, I surrender,
Cause what ever we do,
Baby Id never been true,When Im already gone,
Feeling so new,
For the road Ill be alone,
Im ready to win or lose,
Baby I know,
No ones to say whats wrong or right,
But Ive to go,
I need to see the light,I surrender, I surrender,
Then there is nothing to fight about,
I surrender, I surrender,
Cause what ever we do,
Baby Ill never been true,Ive got to do it baby,
And I just cant help it,
I need the sun up in the sky,When Im already gone,
Im on my way,
And my will is strong,
Nothing can make me stay,
Baby I know,
It wasnt you, who held me down,
But I have to go,
A good love is going back,When Im already gone,

This is my life,
I wanna try it alone,
Just like a bird in flight
