Listen With Your Heart

Australian Idol - Casey Donovan

When you can't find your way through the night
When you've lost touch and nothings feeling right
You can't find that path that leads you on
And you don't know which road to choose
That's when you've got to
Listen with your heart
Listen to your soul
Inside you'll find the answer
The place you need to go
Listen with your heart
Your heart will let you know
No matter where you are
Just listen and your heart will lead you home
And when this world has got your mind confused
And when your faith has gone and run out on you
You can't find that faith in your soul
You don't know which road to choose
That's when you've got to
Listen with your heart
Listen to your soul
Inside you'll find the answer
The place you need to go

Listen with your heart
Your heart will let you know
No matter where you are
The truth is never far
Just listen and your heart will lead you home
We all lose our way some times
we all lose our faith sometimes
If you just believe and just be strong your heart will take you home
Listen with your heart
Listen to your soul
Inside you'll find the answer
The place you need to go
Listen with your heart
Your heart will let you know
No matter where you are
The truth is never far

Just listen and your heart will lead you home
The truth is never far
Just listen and your heart will lead you home
