Trains And Winter Rains

Celtic Grace

City Streets passing by,
Underneath stormy skies.

Neon signs in the night,
Red and blue city lights.
Cargo trains rolling by,
Once again someone cries.

[Chorus]
Trains and winter rains,
No going by, no going home.
Trains across the plains,
And in the sky, the star alone.

Every time, it's the same.
One more night, one more train.
Everywhere empty roads,
Where they go, no one knows.

[Chorus: x3]
