

# Rose of Sharyn (Live 7/25/05)

## Killswitch Engage

Numb, we're broken, here I stand alone  
Wondering what were the last words I said to you  
Hoping, praying that I'll find a way to turn back time  
Can I turn back time? What would I give to behold  
The smile the face of love  
You never left me the rising sun  
Will always speak your name Numb and broken, here I stand alone  
Wonderin' what were the last words I said to you  
It won't be long, we'll meet again Rock, what would I give to behold  
The smile, the face of love  
You never left me the rising sun  
Will always speak your name It won't be long, we'll meet again  
Your memory is never passing  
It won't be long, we'll meet again  
My love for you is everlasting I mourn for those who never knew you  
I mourn for those who never knew you It won't be long, we'll meet again  
Your memory is never passing  
It won't be long, we'll meet again  
My love for you is everlasting It won't be long, we'll meet again  
It won't be long, we'll meet again  
It won't be long, we'll meet again  
It won't be long, we'll meet again
