

Twisted (D.Ramirez Remix)

Skunk Anansie

I cried on my blood day
There was nothing that I could hold on to
Just a line could've helped
Remind me of you, of you I screamed till the blood came
I was living in a cloud of hope
Lover's kiss then they make a wish
To the end they pretend 'Cause everyday
(Hurts a little more)
And everyday
(Hurts a little more)
And I'll do anything
Yes, I'll do anything
To belong, to be strong
To say, there's nothin' wrong Everyday
(Hurts a little more)
'Cause everyday
(Hurts a little more)
And I'll do anything
Yes I'll do anything
To belong, to be strong
To say there's nothing wrong
Everyday hurts everyday hurts
Everyday hurts, oh I cried in the sunlight
Would I fake all the times I loved you
Just a play in a game I twisted with you
With you, ooh I need to believe you
Sacrificed all the lies we were made up
How we kissed then we made our wish
To the end, to the end 'Cause everyday
(Hurts a little more)
And everyday
(Hurts a little more)
And I'll do anything
Yes, I'll do anything
To belong, to be strong
To say, there's nothin' wrong Everyday
(Hurts a little more)
'Cause everyday
(Hurts a little more)

And I'll do anything
Yes I'll do anything
To belong, to be strong
To say, there's nothin' wrong
Everyday hurts, everyday hurts
Everyday hurts yea, yea, yaa
Hey, yea, yaa Time made me confide in you
So contrived were the words you sold me
Now nothin' can swallow the feeling so shallow inside 'Cause everyday
(Hurts a little more)
And everyday
(Hurts a little more)
And I'll do anything
Yes I'll do anything
To belong, to be strong
To say, there's nothin' wrong Everyday
(Hurts a little more)
'Cause everyday
(Hurts a little more)
And I'll do anything
Yes I'll do anything
To belong, to be strong
To say, there's nothin' wrong Everyday hurts
(Hurts a little more, hurts a little more)
Everyday hurts, everyday hurts
(Hurts a little more, hurts a little more)
Everyday hurts a little more, hurts a little more
Oh yea yea
(Hurts a little more, hurts a little more)
Everyday hurts oh ho
Everyday hurts oh ho
(Hurts a little more, hurts a little more)
Aaa aaa oh no
