Lady

Stryper

I see you standin' there, oh so fine
I can't believe my eyes Girl, I just can't seem to make you mine
No matter how hard I tryI've never wanted any one more than you
Girl, I'm hopin' that you're wantin' me tooLady, I wanna be your man
Lady...Won't you tell me what I've gotta do
To win over your heart
This feeling inside is something new
It's tearin' me apartI never dreamed I would meet someone like you
Won't you tell me that you're feelin' it tooLady, I wanna be your man
Lady...Baby, I'll love you all I can
Lady...
