Want It

SoMo

Got you tied up in the sheets
The darker side of fantasy
Yeah, you get exactly what you need
Feel the pressure rising when you breathe
Don't take your eyes off of me
Only know you're alive when you bleed'Cause I love the way you want it
I don't wanna stop you
If I'm being honest
Think I'm gonna hurt you
And you gotta know I've got this
I don't wanna stop, yeah
Now I know the way you want itGot you feel like, oh, oh
Got you feel like, oh, oh'Cause I love the way you want it
I don't wanna stop you
If I'm being honest
Think I'm gonna hurt you
And you gotta know I've got this
I don't wanna stop, yeah
Now I know the way you want itGot you high of what you see
The darker side of fantasy
Yeah, you get exactly what you need
Feel the pressure rising when you breathe
Don't take your eyes off of me
Only know you're alive if you bleedYou know I love the way you want it
I don't wanna stop you
If I'm being honest
Think I'm gonna hurt you
And you gotta know I've got this
I don't wanna stop, yeah
Now I know the way you want itGot you feel like, oh, oh
Got you feel like, oh, oh'Cause I love the way you want it
I don't wanna stop you
If I'm being honest
Think I'm gonna hurt you
And you gotta know I've got this
I don't wanna stop, yeah
Now I know the way you want itI know you're missing me
Baby, you said it
The way you kiss me

I've could have guessed it
I kept you waiting
Baby, I messed up
Now you can see me
I'm here to face upI know you're missing me
Baby, you said it
The way you kiss me
I've could have guessed it
I kept you waiting
Baby, I messed up
Now you can see me
I'm here to face upYou know I love the way you want it
I don't wanna stop you
If I'm being honest
Think I'm gonna hurt you
And you gotta know I've got this
I don't wanna stop, yeah
Now I know the way you want itGot you feel like, oh, oh
Got you feel like, oh, oh'Cause I love the way you want it
I don't wanna stop you
If I'm being honest
Think I'm gonna hurt you
And you gotta know I've got this
I don't wanna stop, yeah
Now I know the way you want itI know you're missing me
Baby, you said it
The way you kiss me
I've could have guessed it
I kept you waiting
Baby, I messed up
Now you can see me
I'm here to face up
