

Freefallin' (Blaze Tripp Remix)

[Zoe Badwi](#)

It's not the first time I've felt this heartache
It's not the first time I've felt my world shake
Won't be the last time I cry
But there's no tears tonight
Leaving my stress at the door 'til daybreak 'Cause I can feel it in the air
Something's different tonight
I'm steppin' out of your shadow
And moving into the light
Figured it out now I'm liberated
Feel like I'm somebody new
Won't wait around for your love now baby
You're never coming through And I'm freefallin'
I'm letting go, Just let the melody flow
Said I'm freefallin'
I'm feelin so like, whatever 'cause things can only get better
I'm free tonight
Sweet dreams, Goodbye
I'm free tonight
It's all good, I'm alright It's not the first time I've started over
It's not the first time my world grew colder
It's gon' take a little time, but right now i'm doin fine
Gon' live it up til i get much older And i can feel it in the air
Ooo theres somethin' different tonight
I think i'm finally moving on
Yeah I've come back to life And I'm freefallin'
I'm letting go, Just let the melody flow
Said I'm freefallin'
I'm feelin so like, whatever 'cause things can only get better
I'm free tonight
Said I'm free tonight
Freefallin'
And I'm free And I'm freefallin'
I'm letting go, Just let the melody flow
Said I'm freefallin'
I'm feelin so like, whatever 'cause things can only get better
I'm free tonight
Sweet dreams, Goodbye
I'm free tonight

It's all good, I'm alright
