## **There Goes My Heart**

## **The Mavericks**

There goes my heart breaking in two There goes my eyes crying over you My arms don't want for us to part So when you go here comes the blues There goes my heartYou told me once we'd never part

And you loved me with all your heart

But now these words of love you're going to erase

You've found somebody new who wants to take my placeThere goes my heart breaking in two

There goes my eyes crying over you

My arms don't want for us to part

So when you go here comes the blues

There goes my heartI'm standing on a bridge that's burned

It's just a lonely lesson learned

To see you walk away with him hurts me so

This fool who loves you doesn't want to let you go There goes my heart breaking in two

There goes my eyes crying over you

My arms don't want for us to part

So when you go here comes the blues

There goes my heartSo when you go here come the blues

There goes my heart

So when you go here come the blues

There goes my heart
