

Underdog

Potluck

She's an underdog, lives next door to me
She's always heard, you won't amount to anything
And it kills me to watch the agony beyond her eyes
Tragic the way people pass her by but now I realize
 That everyone sees her but nobody knows her
 She screams in her pillow for a better tomorrow
 She hates it but she takes it, watch out for that girl
 One day she may change the world
 She's original, never trying to fit in
 She's got a way to always go against the grain
Oh yeah, someday they'll see how beautiful she really is
 I know the last will be the first, the tables gonna turn
 'Cause everyone sees her but nobody knows her
 She screams in her pillow for a better tomorrow
 She hates it but she fakes it, watch out for that girl
 One day she may change the world

Maybe she'll be in a movie
Maybe she'll be in a song, yeah
 Better pay her some attention
 Before she's gone
 She's an underdog, yeah
 She means the world to me, yeah
 Everyone sees her but nobody knows her
 She screams in her pillow for a better tomorrow
 She hates it but she makes it, watch out for that girl
 One day she may change the world
 And everyone sees her but nobody knows her
 She screams in her pillow for a better tomorrow
 She hates it but she makes it, watch out for that girl
 One day she may change the world
