Breakup Song

Jasmine V

We Had Our Love Behind Bars,
No Visitors No Oh No
He Had My Heart On Death Row
Yeah, He Did!
I Don't Know What Was Inside His Mind
It Wasn't What I Thought So?
Confronted Him let him Know, Yeah, YeahBridge:
That's When The Book Started To Change A Page
The Yelling After That
And We Always Make Up,
But This Time Was Different!
I'm Looking Him In His Eyes
I'm Asking Him For The Truth
The One Thing He Had To Say
Was: "I Don't Wanna Be With You!"Chorus:
He Let Me Go, Oh, Oh
He Let Me Go Oh, Oh,
That's When I Heard The Break Up Song
The Break Up Song, The Break Up Song!
The Break Up Song, The Break Up Song!
That's When I Heard The Break Up SongWhat Do I Do Now? I'm Free
No Taking him Back From That No!
But I Don't Really Wanna Go
No, I Don't!
Still Gotta Look Up To The Sky
And Wait For The Shade To Go
No, I Won't Be Alone For Long, No!Bridge:
That's When We Book Started To Change A Page
No Regrets After That And We Always Make Up,
But This Time Was Different!
I'm Looking Him In His Eyes
I'm Asking Him For The Truth
The One Thing He Had To Say
Was: "I Don't Wanna Be With You!"Chorus:
He Let Me Go, Oh, Oh
He Let Me Go Oh, Oh,
That's When I Heard The Break Up Song
The Break Up Song, The Break Up Song!
The Break Up Song, The Break Up Song!

That's When I Heard The Break Up SongAnd I Never Thought It'd Would Come To This
But I Guess It's For The Best If Ya Love For Me Wasn't Real!
Oh, Oh, And I'mma Make Myself Get Over This
Cause Our Love Is Long Gone...Chorus:
That's When I Heard The Break Up Song
The Break Up Song, The Break Up Song!
The Break Up Song, The Break Up Song!
That's When I Heard The Break Up Song
