Hanging On By A Thread

The Letter Black

My past has followed me and
I just can't get away
I'm not the same as I was
Leaving my disarrayTake me just as I am
(I'm broken down)
Pull me into your arms
(I'm hanging on, to every word)Save me from losing myself
I'm hanging on by a thread
Can you see who I am
Underneath my scars
I'm afraid to fall
So I'm holding on to you
No I won't let go
I'm hanging on by a threadI still can hardly believe
The person I once was
I'm trying so hard to change
Help me work through my flawsTake me just as I am
(I'm calling out)
Pull me into your arms
(I'm holding on to every breath)Save me from losing myself
I'm hanging on by a thread
Can you see who I am
Underneath my scars
I'm afraid to fall
So I'm holding on to you
No I won't let go
I'm hanging on by a threadI'll never need
I'll never want
With you, with me
I'm so complete
I'll never run
I'll never hide
With you right here
I'm safe insideSave me from losing myself
I'm afraid to fall
So I'm holding on to you
No I won't let goSave me from losing myself
I'm hanging on by a thread
Can you see who I am

Underneath my scars
I'm afraid to fall
So I'm holding on to you
No I won't let go
I'm hanging on by a thread
