Break the Chains

Narnia

Reaching For Life From The Cold
Emptiness
Ready For The Storms To BLow
But You've Heard It All Before
You've Seen It All Before
But There's Something More I KnowSomething MoreThousands Of Voices Cry Out
In The Night
Tells You What's Wrong And What's Right
Never Before Have You Felt Such A Pain
Now Is The Time To Break The ChainsThey Talk About Eternity
But You Don't Wanna Live Forever
Life Or Death Is The Question You See
A Simple Choice Between Heaven And HellHeavenHeavenly Father Show Me Wonders
Could You Give Me A Sign
You Carried The Cross For Me
You Wasted Your Blood For Me
The Head Of The Searpent Lies Crushed On
The Ground
