

Hidden in You

Watermark

I will call upon You, Lord, for You are worthy to be praised
And You alone are deserving of my life
So this is who I am, a lover of the man
Who was scorned for sinners I will call upon You, Lord, for You are worthy to be praised
And You alone are deserving of my life
So this is who I am, a lover of the man
Who was scorned for sinners And You, You win the war over me
So my worship will be a life that is hidden in You
Your life is setting me free
So my worship will be a life that is hidden in You I will call upon You, Lord, for You are worthy of my praise
And You alone are the center of my life
So this is who I am offered to the man
Who was broken for me And You, You win the war over me
So my worship will be a life that is hidden in You
Your life is setting me free
So my worship will be a life that is hidden in You Holy, holy my sustainer
You save me from my enemies, yeah
And You are where the weary worshiop
With lifted hands in Your covering Body and soul, spirit and truth
Hidden in You, Lord Jesus
Body and soul, spirit and truth
Hidden in You, Lord Jesus You, You win the war over me
So my worship will be a life that is hidden in You
Your life is setting me free
So my worship will be a life that is hidden in You You win the war over me
So my worship will be a life that is hidden in You
Your life is setting me free
So my worship will be a life that is hidden in You Body and soul, spirit and truth
Hidden in You, Lord Jesus
Body and soul, spirit and truth
Hidden in You, Lord Jesus Body and soul, spirit and truth
Hidden in You, Lord Jesus
Body and soul, spirit and truth
Hidden in You, Lord Jesus
