Eddie Vedder

On bended knee is no way to be free
Lifting up an empty cup I ask silently
That all my destinations will accept the one that's me
So I can breathCircles they grow and they swallow people whole
Half their lives they say goodnight to wive's they'll never know
Got a mind full of questions and a teacher in my soul
So it goesDon't come closer or I'll have to go
Holding me like gravity are places that pull
If ever there was someone to keep me at home
It would be youEveryone I come across in cages they bought
They think of me and my wandering
But I'm never what they thought
Got my indignation but I'm pure in all my thoughts
I'm aliveWind in my hair, I feel part of everywhere
Underneath my being is a road that disappeared
Late at night I hear the trees
They're singing with the dead
OverheadLeave it to me as I find a way to be
Consider me a satellite for ever orbiting
I knew all the rules but the rules did not know me
