

# Car Chase Terror!

## M83

Look at my hands, I'm shaking, all my body is shaking  
It was only a dream, mommy  
He was there  
His car was parked there in the same gas station  
All dressed in green, dark green  
I couldn't move my head, but I was watching him in the mirror  
Oh, it was horrible!  
His face was sort of erased  
But I knew he was looking at me  
Two invisible eyes, two invisible and monstrous eyes  
Please stop, you're frightening me  
I'm sorry, butterfly  
You shouldn't listen to mommy  
Go back to sleep  
I'm not tired anymore  
I just want to get away from here  
Mommy needs some sleep too  
We've got a long way to go tomorrow  
Go back to sleep angel, mom is going to keep the devil away  
Now close your eyes, everything is fine, everything is light  
Mom loves you more than any mom in the world  
See you in the morning light where the bird sings with the sun  
I love you, sweetie  
I love you, mom  
Wake up, wake up!  
What's happening?  
I felt his breath in my hair  
He's here, I know he's here!  
Well start the car mom, hurry up!  
I can't, I can't, I don't know what to do  
Turn the  
key, please!  
Go! Go!  
Where is he?  
He's right behind us, mom  
I told you, you got to keep quiet now!  
Mommy, I don't want to  
die!  
I'm so afraid, he's coming!  
He's going to hit us  
Faster, faster!  
I can't, where is he?  
You just have to keep quiet  
He must be so crazy right now  
He is going to kill us for sure  
Mom, mom  
Shut up!  
It's too late, he was just there  
It's always too late  
Mother  
Look at my hands, I'm shaking, all my body is shaking  
Daughter  
Mommy, it was only, mommy  
He was there, he was just there  
Mommy
