One Night

Joey Mcintyre

Girl, you look so good tonight
Now when you going to start giving [Incomprehensible]
And give me the time of the day
I know you know I've been watching
When I look at you
You look so irresistible
When I see you there
I never seen a girl so beautiful
And I say
I know you never met a gentleman like me
'Cause I will do you right, treat you right, girl
When you are alone with me
So c'mon and give me one night
That is all I ask of you
Just one night
And I will show my world to you
Listen closely girl
I want to be clear to you, girl
That I'll always be there for you girl
Any day, any night, all the time
One night
That is all I ask of you
Baby baby, one night
And I will show my world to you, to you, to you
Girl, if you're willing
Then we should be chillin'
Tonight, tonight, tonight
One night
That is all I ask of you, baby
C'mon and give me one night
And I'm gonna show world to you and only you and only you
One night
That is all I asking girl
Just, just, just one night
Well, I'm gonna give my, I'm gonna give my
I'm gonna give my world to you
One night, one night
One night, one night
And let's get together, babe

One night with you
One night, one night
One night, one night
Let's get together, babe
One night
All I want is just one night with you
All I want is you
