

# Overcome

## Desperation Band

Seated above, enthroned in the Father's love  
Destined to die, poured out for all mankind  
God's only son perfect and spotless one

He never sinned but suffered as if He didAll authority, every victory is Yours

All authority, every victory is YoursSavior, worthy of honor and glory

Worthy of all our praise, You overcame

Jesus, awesome in power forever

Awesome and great is Your name, You overcamePower in hand

Speaking the Father's plan

You're sending us out

Light in this broken landWe will overcome

By the blood of the Lamb

And the word of our testimony

Everyone overcome
