Everything To Me

Rock Kills Kid

Sunday morning I'm tired lonely
Waiting for someone to save me
All the boys say you might be the one for me
I hope you can save me before I lose itI've been dying inside
Got nothing to hide
I think we should try to lose ourselves tonight
For all that it's worth
With every word
You make me want to believe in you and me
Cause your everything to me and I want you to know
You're everything to me and I want it, wanted? to showDays go by now time ticks slowly
I can't wait till you're with me
'Till then I'll sit and think in my room alone
Out there theirs nothing for me
Theirs nothing for me anymoreI can't explain it but its making sense in my head?
You and me (you and me)
I can't explain it but its making sense in my head
