

# Nuclear Metal Retaliation

## Impaled Nazarene

Satanic sonic attack  
Barbaric holocaust  
Given birth by fire  
Atomic fucking meltdown  
The end is at hand  
Go get fucked!  
Nuclear metal attack  
Attack is imminent  
666 megawatts  
Detonating warheads  
Sluts want more  
The end is at hand  
Go get fucked!  
Nuclear metal attack  
We are protected by Satan since 1990  
And if you don't get it you will fucking regret it!  
We don't tolerate  
Assholes a'la you  
Once we retaliate  
This shithole is doomed  
The end is at hand  
Go get fucked!  
Nuclear metal attack  
(Music & Lyrix: Luttinen)
