

Our House

Crosby, Stills & Nash

I'll light the fire, you place the flowers
In the vase that you bought today
Staring at the fire for hours and hours
While I listen to you play your love songs
All night long for me, only for me
Come to me now and rest your head for just five minutes
Everything is good
Such a cozy room, the windows are illuminated
By the evening sunshine through them
Fiery gems for you, only for you
Our house is a very, very, very fine house
With two cats in the yard, life used to be so hard
Now everything is easy, 'cause of you
And our
Our house is a very, very, very fine house
With two cats in the yard, life used to be so hard
Now everything is easy, 'cause of you
And our
I'll light the fire while you place the flowers
In the vase that you bought today
