You Are The Best Part Of Me

Neil Diamond

My baby's Crying on a Saturday night
She thinks that nothings ever gonna go right
But she'll make it
And we'll make it
There's not way that
I'm leaving the best part of me

There was a time I wanted out on my own
I even thought that I'd be OK alone
But oh, baby
I know, baby
That I'd be walking
Away from the best part of me

[Chorus]
You are the best part of me
The best that I am
Or ever will be
You baby, your the part
That allows me
To open my heart
And let love inside
I want you to know
What I've always
known
You are the best
Part of me

Love isn't easy and
It's not always kind
Sometimes you only
Have to make
Up your mind
That you can make it
and you can make it
I know I made it
By keeping the best part of me

My baby's crying cause she can't run away
And if she could it wouldn't last for a day

And she knows it
And I know it
It just shows that
She is the best part of me

It's true baby, your the best part of me
The best that I am
Or ever will be
You baby, you're the part that allows me
To open my heart
And let love inside
I want you to know
What I've always known
You're the best part of me
Yes, you are the best part of me
