

# Up on the Roof

## The Drifters

When this old world starts getting me down  
And people are just too much for me to face  
I climb way up to the top of the stairs  
And all my cares just drift right into space  
On the roof, the only place I know  
Where you just have to wish to make it so  
Let me tell you now  
When I come home feelin' tired and beat  
I go up where the air is fresh and sweet  
Up on the roof  
I get away from the hustling crowd  
And all that rat race noise down in the street  
Up on the roof  
On the roof, the only place I know  
Where you just have to wish to make it so  
Let's go up on the roof  
Up on the roof  
At night the stars put on a show for free  
And darling, you can share it all with me  
I keep a tellin' you  
Right smack dab in the middle of town  
I've found a paradise that's trouble proof  
Up on the roof  
And if this world starts getting you down  
There's room enough for two, up on the roof  
Up on the roof  
Up on the roof  
Up on the roof  
Oh, come on, baby  
Up on the roof  
Oh, come on, honey  
Up on the roof  
Everything is all right  
Up on the roof  
Say that, "It's alright"  
Up on the roof  
Oh, we gotta go up on the roof  
Up on the roof
