Master P

Check this out playa
These niggas be quick to check another playa
Ya know what I'm sayin'?
But see that big booty bitch them niggas be rollin' with? That bitch that they be buyin' all that jewelry for
And gettin' they hair fixed
That's goin' be that bitch that's gonna get 'em killed
If they don't watch what they doin' Ya know what I'm sayin'?
See what I'm sayin' though
You gotta watch these
Old Cornroll head ass bitches man Fools PH'in', rollin' on Dayton's
But you better watch dees hoes
Fools PH'in', rollin' on Dayton's
But you better watch dees hoes Some of these hoes jack, Wendy look cool but this is a bad move
Jump in your Benz and pick up another dude
Ain't that some shit G that bitch say she loves you now she loves me
And the game get wicked She only fuckin' with a nigga 'cause you slangin' chicken
And if you was broke, you would know
That bitch only hangin' with a nigga 'cause he slang dough
And wipe off that devilish grin 'cause when you dead And gone she'll be fuckin' your best friend
Now, that's kinda hectic, make me wanna pop
A bitch neck and move back to Texas Fools PH'in', rollin' on Dayton's
But you better watch dees hoes
Fools PH'in', rollin' on Dayton's
But you better watch dees hoes Um, well some of these niggas will jack but these hoes a jack too
They be like lemme borrow your pencil so you can jack who
Now, um what, a nigga like me TRU
So I don't play that game that you hoes play But I won't stay where you stay
Now, this be the time where the 9 be like buckin'
I gots no time to play I use these hoes when I be duckin'
Fuck what, these hoes be like scandalous, I don't understand it Niggas be ridin' by my SEL, some of these hoes
be like man it
When Silkk be at the crib countin' my stack up
Bangin' my sacks up, you hoes better back up
Before I leave you jacked up Fools PH'in', rollin' on Dayton's
But you better watch dees hoes
Fools PH'in', rollin' on Dayton's
But you better watch dees hoes Do you see what I see? Along with Silkk and P
Do you know what I know? Definitely not click clack goes that glock
I'll be damned if I'm gonna let some hoe hit me for my Prego notes

Once I hit that G spot, you know I'm long like some stretch pots
I ain't trippin' if some hoes look like Robin
Givens
I'm shootin' a three to the grill like Scottie Pippen
Hell yeah, I'm trippin'
My homie got his wig split on a pussy trip
Since then hoes and money and pussy can never be my friend
We can fuck till the end and when the mornin' comes
If you flakin' bitch I'm a leave
Your whole fuckin' body shakin'
Damn, y'all niggas better be
Watchin' these old bitches
That be tryin' to get a nigga
For cabbage and cornbread
Fools PH'in', rollin' on Dayton's
But you better watch dees hoes
Fools PH'in', rollin' on Dayton's
But you better watch dees hoes
Now, since I'm gettin' paid a gang of bitches wanna sweat me
Claimin' that they pregnant and them hoes just met me
I hate to bust your bubble and I hope your not embarrassed
But I only fucked you once so why you talkin' 'bout marriage
I only hit and run bitch, I'm too young to chill
And I never say I love ya 'cause I know it ain't for real
So chill with that dumb shit 'cause I'm the one that run shit
And I ain't even try to hear that stupid shit you come with
Dumb bitch, I guess
You figure I'm a pimp right
So don't playa hate me
Bitches get your shit tight
Fools PH'in', rollin' on Dayton's
But you better watch dees hoes
Fools PH'in', rollin' on Dayton's
But you better watch dees hoes
