

Van Der Graaff

The Courteeners

Live a little bit, have a little laugh
Roll up your sleeves
Stick 'em on the Van der Graaff
And watch it float away
She said never do this, never do that
Watch where you're swinging that rounders bat
What do you know, I could've been M.L.B
Heart like a stone
Messages on my phone, aftermath
I don't need you in my life
But I want you tonight Van Der Graaff
Complicated and pointless
Thinking of better elsewhere
Low on energy but never sleeping
Someone call the cavalry, sniper peeping
Solitude is a place on earth
And I've got a season ticket
We're splitting off like the A57
Cutting our own way through the thicket
