Let me tell her this straight from her heart, work hard fi mind, straight from the start, set dung pan di

Mi a set trend pan dem, them a start, mi a gone left them, mi just happy, and mi laugh wid dem, go nah dis dem,

Step pan di scene, quit mi night to 5, had a bigger dream, to live a better life, remember when mi use to always

Mi a set trend pan dem, them a start, mi a gone left them, mi just happy, and mi laugh wid dem, go nah dis dem,

Let me tell her this straight from her heart, work hard fi mind, straight from the start, set dung pan di
grudgement, wanna be apart, di pussy dem nah real, dem a fraud (Mi a set trend)

Now di table sturn, money mi a earn, hard life scene and it a burn, them everyting dem fall off, give mi nuh
shake dem nah fall off

Mi a set trend pan dem, them a start, mi a gone left them, mi just happy, and mi laugh wid dem, go nah dis dem,
