

# Experiment

Irene Kral

Before you leave these portals  
To meet less fortunate mortals  
There's just one final message  
I would give to you  
You all have learned reliance  
On the sacred teachings of science  
So I hope, through life you never will decline  
In spite of philistine  
Defiance  
To do what all good scientists doExperiment  
Make it your motto day and night  
Experiment  
And it will lead you to the light  
The apple on the top of the tree  
Is never too high to achieve  
So take an example from Eve  
Experiment  
Be curious  
Though interfering friends may frown,  
Get furious  
At each attempt to hold you down  
If this advice you'll only employ  
The future can offer you infinite joy  
And merriment  
Experiment  
And you'll see
