Fast Car / Slow Traffic

Paul Weller

Slow traffic, slow traffic
Slow traffic, slow traffic
Slow traffic, slow traffic
Slow traffic, slow traffic
Slow traffic, slow trafficZoomin' in and out
Of the slow traffic mumble
Tryin' to make the lights
Get me out of the jungleIt's been a long day
And my head's all gone
I'm tryin' to make the bridge
'Fore the sun goes downSlow traffic, slow traffic
Slow traffic, slow traffic
Slow traffic, slow traffic
Slow traffic, slow trafficZoomin' in and out
Of the slow traffic mumble
Tryin' to make the lights
Get me out of the jungleIt's been a long day
And my head's all gone
I'm tryin' to make the bridge
'Fore the sun goes downSlow traffic, slow traffic
Slow traffic, slow traffic
Slow traffic, slow traffic
Slow traffic, slow trafficZoomin' in and out
Of the slow traffic mumble
Tryin' to make the lights
Get me out of the jungleIt's been a long day
And my head's all gone
I'm tryin' to make the bridge
'Fore the sun goes downSlow traffic, slow traffic
Slow traffic, slow traffic
Slow traffic, slow traffic
Slow traffic, slow trafficSlow traffic, slow traffic
Slow traffic, slow traffic
Slow traffic, slow traffic
Slow traffic, slow traffic
