

# Marabou

## Antonia

As I'm walking down Rue de Rivoli  
Listening to the tape you once gave to me  
Leaves a little you here with me  
And when you're gone, I dream  
Follow me down to Marabou (bu).

Let me put my love into you (you)  
I'll let you cool me off with a kiss (kiss)  
Your waves will hit me like deja-vu (vu)  
So tonight I'll dream about Marabou (bu)  
Let me put my love into you (you)  
The tide will wash us up on the shore (shore)  
Your waves will hit me like deja-vu (vu)  
So tonight I'll dream about Marabou.

Remember Goodbye Lucille No.1  
Not many know it, maybe some  
As the song goes by I miss you more and more  
So tonight I'll just dream about Marabou  
Ma, Marabou  
Ma, Marabou  
Follow me down to Marabou (bu).

Let me put my love into you (you)  
I'll let you cool me off with a kiss (kiss)  
Your waves will hit me like deja-vu (vu)  
So tonight I'll dream about Marabou (bu)  
Let me put my love into you (you)  
The tide will wash us up on the shore (shore)  
Your waves will hit me like deja-vu (vu)  
So tonight I'll dream about Marabou.

Ma, Marabou.  
Follow me down to Marabou (bu)  
Let me put my love into you (you)  
I'll let you cool me off with a kiss (kiss)  
Your waves will hit me like deja-vu (vu)  
So tonight I'll dream about Marabou (bu)  
Let me put my love into you (you)  
The tide will wash us up on the shore (shore)

Your waves will hit me like deja-vu (vu)  
So tonight I'll dream about Marabou
