

# Famous

## Big Time Rush

Do you want to ride in a big limousine?  
Tell me, do you want to take a little bite of the fame machine?  
If you wanna be discovered and end up on the cover  
Of every star studded supermarket magazine You can do it, stick right to it  
It could happen tonight You wanna be famous, famous  
You wanna be the one who's living the life  
You wanna be famous, famous  
You wanna be the one who's taking the free ride Do you want to cut to the front of the line?  
Baby, do you need to see your name in lights just like the Hollywood sign?  
Come on, we gotta work harder, fight the fight together  
Take it to the top, we got the winning team It's your moment, you can own it  
It's the American dream You wanna be famous, famous  
You wanna be the one who's living the life  
You wanna be famous, famous  
You wanna be the one who's taking the free ride All day, all night  
The camera's on and it never lies  
You're under the spotlight  
Twenty-four, seven 'til the end of time Whoa, you wanna be famous  
Whoa, you wanna be famous You wanna be famous, famous  
You wanna be the one who's living the life  
You wanna be famous, famous  
You wanna be the one who's taking the free ride You wanna be famous Your song is on the radio, hot rotation  
video  
Bright lights, fan mail, paparazzi on your tail  
Tour bus, private jet, thinking big ain't failed you yet  
Just one thing you can't forget, takes more than just wanting it Aim high, never rest, put your passion to the test  
Give your all, never less, famous means you're the best
