

Bubbling

IMx

Me and my niggas is gettin' down like, what?
Immature for the 99 like, what?
Mad at my niggas 'cuz they platinum plus
Yo, I'm Ra-Ra, 'bout to tear [unverified] upFrontin' 'cuz I said I couldn't trust a friend
Man, I'll never choose the chick again
It's time to double up, get this loot and win
Standed on my own, countin' benjamins, what?I'm just trying to understand
How you said he was your Fam
Could this all be a scam?
Why am I bubbling?Now, I've heard about your kissing cousin
Telling me he's your blood when you know he really wasn't
(I can't believe you)
Pictures could be worth a thousand words, I try to understandI'm just trying to understand
How you said he was your Fam
Could this all be a scam?
Why am I bubbling?I'm just trying to understand
How you said he was your Fam
Could this all be a scam?
Why am I bubbling?You could have told me the truth from the game
(Instead of runnin' behind my back
You should've said somethin')
Maybe then me and you would have been straight
(Now, I got problems with this nigga that I don't even know")Staying nights at the crib, was you buggin'?
If I didn't love you, you'd have to get somethin', girl, I tryI'm just trying to understand
How you said he was your Fam
Could this all be a scam?
Why am I bubbling?I'm just trying to understand
How you said he was your Fam
Could this all be a scam?
Why am I bubbling?Never thought that I could get down like this
Immature back and back with more hit's
And we gonna bring it to ya' like, what?
All up in your face, you can't compare us
In the 99 we comin' to HotSittin' on top of the world, it don't stop
Romeo, Batman, LDB
All chicks are the same, it ain't meant to be, what?I'm just trying to understand
How you said he was your Fam
Could this all be a scam?
Why am I bubbling?I'm just trying to understand

How you said he was your Fam
Could this all be a scam?
Why am I bubbling? I'm just trying to understand
How you said he was your Fam
Could this all be a scam?
Why am I bubbling?
