Down Here (Album Version)

Lori Carson

My, my will you look at the time
I've wasted all these years gone by
Can't even talk to you
Don't even try
Oh, well ...Down here it's as you left it
I'm waiting for the grey to clear
Don't know what I'm running on
But some time ago all hope was goneDown here
What I wouldn't give for a real love
What I wouldn't give for that peace of mind
Down here
I'm leaving the light on
And I guess I could be wrong
Down hereNow, I know I tend to get down
Don't even see it when it's coming around
But sure could use some kind of change
About now
Oh, well ...Down here it's as you left it
I'm waiting for the grey to clear
Don't know what I'm running on
But some time ago all hope was goneDown here
What I wouldn't give for a real love
What I wouldn't give for that peace of mind
Down here
I'm leaving the light on
And I guess I could be wrong
Down here
It's as you left it
I'm waiting for the grey to clear
