The Key

Ub40

Trenchtown jamaica
Gave the wailers their soun`
Like a steppin` razor
The brother tosh `im come aroun`
Yellow man and eek-a-mouse
Dem a trod `pon newer groun`
While scratch and the scientist
Dem jus` keep on mixin` down.
The mighty general and eastwood
Draw me out of my seat
The lone ranger ride in
To rock me` pon me feet
The dreaded flabba holt and style scott
Start fe put down a radical beat

Wid mistra isaacs
Puttin` melodies so sweet.
(ad lib.....)
Refrain:
Reggae music is
The key to my heart
Reggae music is
My stop and start
From dusk to dawn
The music is my high.
