

Rain On Me

Ashanti

Mmm, mmm, mmm, mmm
Mmm, mmm, mmm, mmm
Mmm, mmm, mmm, mmm, mmm I'm lookin' in the mirror
At this woman down and out
She's internally dyin'
I know this was not what love's about I don't wanna be this woman
The second time around
'Cause I'm wakin' up screamin', no longer believin'
That I'm gonna be around And over and over I tried
Yet over and over you lied
Gettin' over and over my pride, yeah
I don't know why And over and over I tried
Yet over and over you lied
Gettin' over and over my pride, yeah
I don't know why Rain on me
Lord, won't you take this pain from me
I don't wanna live, I don't wanna breathe
Baby, just rain on me
Lord, won't you take this pain from me
I don't wanna live, I don't wanna breathe, no See, I don't want to hold my pillow late at night no more
I'm tossin' and turnin' and thinkin' 'bout burnin' down these walls
I-I don't wanna fuel this fire no more, no more, no more
See, I made up my mind 'cause I've wasted my time
Ain't nothin' here to keep me warm And over and over I tried
Yet over and over you lied
Gettin' over and over my pride, yeah
I don't know why And over and over I tried
Yet over and over you lied
Gettin' over and over my pride, yeah
I cried, I cried, I cried, I cried, I cried Oh, oh, oh, oh Rain on me
Lord, won't you take this pain from me
I don't wanna live, I don't wanna breathe
Baby, just rain on me
Lord, won't you take this pain from me
I don't wanna live, I don't wanna breathe, no I'm so tired of the rain
In my life
And I'm so tired of the strain
And now you're gonna lie Sometimes I can't sleep at night and
This here it just don't seem right and

Sometimes I just wonder why I
Almost let my life go by Sometimes I can't sleep at night and
This here it just don't seem right and
Sometimes I just wonder why I
Almost let my life go by Oh, oh, oh, oh, oh Rain on me
Lord, won't you take this pain from me
I don't wanna live, I don't wanna breathe
Baby, just rain on me
Lord, won't you take this pain from me
I don't wanna live, I don't wanna breathe, no Rain on me
Lord, won't you take this pain from me
I don't wanna live, I don't wanna breathe
Baby, just rain on me
Lord, won't you take this pain from me
I don't wanna live, I don't wanna breathe, no Ooh, ooh
Ooh, ooh
La-la-la-la-la-la-la
La-la-la
La-la-la-la-la-la
Ooh, ooh, ooh
