

# Smalltown Boy

## Delain

You leave in the morning  
With everything you own in a little black case  
    Alone on the platform  
    The wind and the rain  
    On a sad and lonely face  
Mother will never understand  
    Why you had to leave  
    For the love that you need  
    Will never be found at home  
Pushed around and kicked around  
    Always a lonely boy  
    You were the one  
That they'd talk about around town  
    As they put you down  
    And as hard as they would try  
    They'd hurt to make you cry  
    But you'd never cry to them  
    Just to your soul  
No you'd never cry to them  
    Just to your soul
