

(oh No) What You Got

Justin Timberlake

Yeah

Mr. JT, now what you got for me
Mr. JT, now what you got for me
Mr. JT, now what you got for me
Mr. JT, now what you got, what you got
Mr. JT, now what you got for me
Mr. JT, now what you got for me
Mr. JT, now what you got for me
Mr. JT, now what you got, what you got
You're sneaky from the corner of my eye
I saw you eying me, I know that you're watching
Tell me what would you do if I encouraged you
To get next to me when nobody's watching
The way your body keeps moving
Is something that makes me weak
Let's start our own little secrets
For just you and me to keep
Too late to come or shy now
You've already gone this far
So baby make your move, take charge
Show me what you got for me

Oh no

(Girl)

Is that your hands

(Your hands)

Rubbing on me

Oh no

(Girl)

Is that your hands

(Your hands)

Feeling on me

Oh no

(Girl)

Is that your hands

(Your hands)

Rubbing on me

If so

(Girl)

If that's your hands

(Your hands)
Then tell me what you got for me
Baby, I can tell that you want to do more
Than just dance with me and I don't mind you flirting
But honestly do you really wanna spend the whole night
Passing looks at me
(Looks at me)
Come over here and get to working
The way your body keeps moving
Is something that makes me weak
(Makes me weak)
Let's start our own little secrets
(Yeah)
For just you and me to keep
(Us to keep)
Too late to come or shy now
You've already gone this far
So baby make your move, take charge
(Ooh)
Show me what you got for me
Oh no
(Girl)
Is that your hands
(your hands)
Rubbing on me

Oh no
(Girl)
Is that your hands
(your hands)
Feeling on me
Oh no
(Girl)
Is that your hands
(Your hands)
Rubbing on me
If so
(Girl)
If that's your hands
(Your hands)
Then tell me what you got for me
Oh, oh, oh, oh
Oh, oh, oh, oh
(What you got)
Oh, oh, oh, oh

Oh, oh, oh, oh

(What you got)

Oh, oh, oh, oh

Oh, oh, oh, oh

(What you got)

Oh, oh, oh, oh

Oh, oh, oh, oh

Oh no

(Oh no)

(Girl)

Is that your hands

(Your hands)

rubbing on me

Oh no

(No)

(Girl)

Is that your hands

(Your hands)

Feeling on me

Oh no

(Girl)

Is that your hands

(Your hands)

Rubbing on me

(Rubbing on me)

If so

(Girl)

If that's your hands

(Your hands)

Then tell me what you got for me

(If that's your hands)

Oh, oh, oh, oh

Oh, oh, oh, oh

(What you got)

Oh, oh, oh, oh

Oh, oh, oh, oh

(Do do do do do do do do do do do do do do)

(What you got)

Oh, oh, oh, oh

Oh, oh, oh, oh

(What you got)

Oh, oh, oh, oh

Oh, oh, oh, oh

(Oh no)

Oh no your hands feeling on me

Oh no your hands rubbing on me
Le do do do do do do do do do
Le do do do do do do do do do
Le do do do do do do do do do
