

Get Myself Arrested

Gomez

I wear the same shoes as everyone
I get the same blues as everyone
So try and call me
I'm immobile man, yes I amGot a haircut, got a silver tooth
Gonna get myself arrested
I got some friends in my BMW
Tryin' to get themselves arrestedI suck the same lines as anyone
I do the same time as anyone
Don't try and call me
I'm immobile man, yes I amGot a haircut, got a silver tooth
Gonna get myself arrested
Got some friends in my BMW
Tryin' to get themselves arrestedHe only grows for guys he knows and me
He only grows for guys he knows and me
Well alrightDon't try and call me
I'm immobile man
Don't try and call me
I'm immobile man, yes I amGot a haircut, got a silver tooth
Gonna get myself arrested
Got some friends in my BMW
Tryin' to get themselves arrestedGot no time for the selfish me and you's
Tryin' to get myself arrested
