

I Need Love

LL Cool J

When I'm alone in my room
Sometimes I stare at the wall
And in the back of my mind
I hear my conscience call
Telling me I need a girl who's as sweet as a dove
For the first time in my life, I see I need love
There I was, giggling about the games
That I had played with many hearts and I'm not saying no names
Then the thought occurred, Tear drops made my eyes burn
As I said to myself, "Look what you've done to her"
I can feel it inside, I can't explain how it feels
All I know is that I'll never dish another raw deal
Playing make believe, pretending that I'm true
Holding in my laugh as I say that I love you
Saying amore, kissing you on the ear
Whispering "I love you" and "I'll always be near"
Although I often reminisce, I can't believe that I've found
A desire for true love, floating around
Inside my soul, because my soul is cold
One half of me deserves to be this way till I'm old
But the other half, needs affection and joy
And the warmth that is created by a girl and a boy
I need love I need love Romance, sheer delight, how sweet
I've got to find me a girl to make my life complete
You can scratch my back, we'll get cozy and huddle
I'll lay down my jacket so you can walk over a puddle
Give you a rose, pull out your chair before we eat
Kiss you on the cheek and say "Ooh girl, you're so sweet"
It's De Ja Vu, whenever I'm with you
I can go on forever telling you what I'll do
But where you at? You're neither here nor there
I swear, I can't find you anywhere
Damn sure you ain't in my closet, or under my rug
This love search, is really making me bugged
And if you know who you are, why don't you make yourself seen?
Take a chance with my love and you'll find out what I mean
Fantasies can run, but they can't hide
And when I find you I'ma pour all my love inside
I need love I need love I wanna kiss you, hold you, never scold you, just love you

Suck on your neck, caress you and rub you
Grind, mold, and never be alone
If you're not standing next to me you're on the phone
Can't you hear it in my voice? I need love bad
I've got money but love's something I never had
I need your ruby red lips, sweet face and all
I love you more than a man, who's ten feet tall
I watch the sun rise, in your eyes
We're so in love, when we hug, we become paralyzed
Our bodies explode in extacy unreal
You're as soft as a pillow and I'm as hard as steel
It's like a dream land, I can't lie, I've never been there
Maybe this is an experience that me and you can share
Clean and unsoiled, yet sweaty and wet
I swear to you, this is something I'll never forget
I need love I need love See what I mean? I've changed, I'm no longer
A playboy on the run, I need something that's stronger
Friendship, trust, honor respect, admiration
This whole experience has been such a revelation
It's taught me love, and how to be a real man
To always be considerate and do all I can
Protect you, you're my lady and you mean so much
My body tingles all over with the slightest touch
Of your hand, and understand, I'll be frozen in time
Till we meet face to face and you tell me you're mine
If I find you girl, I swear I'll be a good man
I'm not gonna leave it, in destiny's hand
I can't sit and wait, for my princess to arrive
I gotta struggle and fight, to keep my dream alive
I'd search the whole world for that special girl
And when I finally find you, watch our love unfurl
I need love I need love Girl, listen to me.
When I be sitting in my room, all alone, staring at the wall,
Fantasies, they go through my mind.
And, I've come to realize that, I need true love.
And if you want to give it to me girl, make yourself seen.
I'll be waiting, I love you.
