Heartquake (Techdiff Remix)

Front Line Assembly

Where's the future now. Crush the humans to down. Together tomorrow, find us, sound out. We here remains, in their claim. Forever rendered. In forbidden signs.
Arise, you should have never of go. Arise, the final blow. No regrets, today begins. Tomorrow will end, we all have to fend.
Where's the future now. Trust the humans to down. Together tomorrow, find us, sound out.
Arise, you should have never of go. Arise, the final blow. No regrets, today begins. Tomorrow will end, we all have to fend.
Turning into seduction, will you ever set me free? To bring in, is always sin, when you sit down, decide my fate.
Arise, you should have never of go. Arise, the final blow. No regrets, today begins. Tomorrow will end, we all have to fend.
