

# Rose Petals

[S. Carey](#)

I woke up and was wallowing  
I run from it every day  
I started making sense of it  
At least that's what I'd say  
Hiding in the rose petals  
Holding on to what you know  
Hanging from the pedestal  
Hinging on whether you should go  
We're back to where we started  
Our backs against the wall  
And you're tracing your old steps  
Like you said you wouldn't do  
Hiding in the rose petals  
Holding on to what you know  
Hanging from the pedestal  
Hinging on whether you should go  
Hiding in the rose petals  
Holding on to what you know  
Hanging from the pedestal  
Hinging on whether you should go
