

Hammer of God (Re-Recorded Classics - 2009)

Mortification

Hammer of God
Crushing the gates of evil
Reigning in Glory
Satan bows by the word
Fire burning, swords blazing
Hate dying, Glory raised
Heads held high
Reflecting God shining
Now the Hammer has fallen
Evil lies on the anvil
Sparks are flying
As the Hammer smashing blow.
Hammer of God
Crushing the gates of evil
Reigning in Glory
Satan bows by the word
Fire burning, swords blazing
Hate dying, Glory raised
See the sky
Streams of light breaking forth
Darkness cracked
As the candle shines
Raised with force
The Hammer will prevail
Christian way's victorious
Fill us with Your praise, yeah
Hammer of God
Crushing the gates of evil
Reigning in Glory
Satan bows by the word
Fire burning, swords blazing
Hate dying, Glory raised
We are light, spreading Gospel truth
You just might listen to our ways
Now be converted, feel the blessed heart
Change forever, eternal life
Fire burning, swords blazing
Hate dying, Glory raised
Fire
