

# Goody Two Shoes

## Duck Sauce

Adam ant / Marco pirroni  
With the heartbreak open  
So much you cant hide  
Put on a little makeup makeup  
Make sure they get your good side good side  
If the words unspoken  
Get stuck in your throat  
Send a treasure token token  
Write it on a pound note pound note  
Dont drink dont smoke - what do you do?  
Dont drink dont smoke - what do you do?  
Subtle innuends follow  
There must be something inside hes hiding  
We dont follow fashion  
That would be a joke  
You know were going to set them set them  
So everyone can take note take note

When they saw you kneeling  
Crying words that you mean  
Opening their eyeballs eyeballs  
Pretending that youre al green al green  
No ones gonna tell me  
Whats wrong or whats right  
Or tell me who to eat with sleep with  
Or that Ive won the big fight big fight  
Look out or theyll tell you  
Youre a superstar  
Two weeks and youre an all time legend  
I think the games have gone much too far  
If the words unspoken  
Get stuck in your throat  
Send a treasure token token  
Write it on a pound note pound note  
Dont drink dont smoke - what do you do?  
Dont drink...
