Black Dog

Pierce Brothers

(studio version)
(verse)
I wish the world will carry you,
so most of all you could see,
my black dog rumbling,
running through the grass and trees,into his nest to my despair,
into the jungle we could go,
we would have to chase him way out there,
and if I went would you follow,(chorus)
won't you come with me,
you can decide where to go,
we can live by the sea,
we can live with our black dog,(verse)
down to the block we will make our way,
into the wilderness we spring,
we will make a home for us one day,
we tell the black dog whispering,and in that house I will marry you,
my brothers can play music there,
with dress our black dog in a suit,
we can build our life down there,(chorus)
won't you come with me,
you can decide where to go,
we can live by the sea,
we can live with our black dog,ooooh-ooooh-oooh-ooh (5 times)I wish the world will carry you,
so most of all you could see,
my black dog rumbling,
running through the grass and trees,â€‹
