Number One

Karl Wolf

I wanna wake up baby & see you sharing my bed you roll over start smilin', girl ima cook you breakfast (yeah) I gotta say that you got my heart & your my answer when i reach upon a star (oooh) I don't need nobody else but you (ooh)
CHORUS
Ima let you play babe music in the car shorty you my favorite song your my baby kissin' on your neck & i don't even need permission cause your body's saying yes & you know that i want it (girl) so just let me get it (girl) when its all said & done imma make you number one (number one) one (number one) one (number one) imma make you number one (number one) one (number one) one (number one) imma make you number one (number one) one (number one) one (number one) imma make you when its all said & done imma make you number one
Lady commit girl i don't wanna share this with nobody your amazing the perfect picture & aint nobody got your sexy body & its something about the things you do that makes me wanna stay with you aint no other way to say it girl i just love you (yeahh)
CHORUS

Ima let you play babe music in the car (ooh yeah) shorty you my favorite song (yeahh) your my baby kissin' on your neck (ooh woahh) & i don't even need permission cause your body's saying yes & you know that i want it (girl)(girl) so just let me get it (girl) when (yeah) its all said & done (yeahh) imma make you (woah) number one (number one) one (number one) (baby) one (number one) imma make you number one (number one) one (number one) one (number one) imma make you number one (number one)(baby) one (number one) one (number one) imma make you when its all said & done imma make you number one
(this is for the one)
the one she the reason that i wake up for one, one more chance to make you believe im the one she he aint need to bend them legs but the perfect thing to help me get her fo sho yea yeah yea yeah yeah yeahhhh
CHORUS
when its all said & done imma make you number one (number one) one (number one) (baby) one (number one) imma make you number one (number one) one (number one) one (number one) imma make you number one (number one)(baby) one (number one) one (number one) imma make you when its all said & done imma make you number one
