The Sun And The Moon

MAE

Wasted time.
I cannot say that I was ready for this.
But when worlds collide,
and all that I have is all that I want.
The words seem to flow
and the thoughts they keep running.
And all that I have is yours.
All that I am is yours.
Ohh...
Painted skies.
I've seen so many that cannot compare
to your ocean eyes.
The pictures you took
that cover your room,
and it was just like the sun
but more like the moon.
A light that can reach it all.
So now I'm branded for taking the fall.
Ohh...
So when you say forever,
can't you see
you've already captured me.
