

# I Got to Make a Change Blues

## Memphis Minnie

Im sad and blue  
Lonesome too  
the man I love  
he's so untrue

yes I got to make a change  
he ain't no good at times  
and I can't stay no longer  
I got travelin' on my mind

He drive me out my money  
and is sleepin' too  
at times I can't please him  
don't care what  
I do

Yes I have to make a change  
He ain't no good at times  
I can't stay no longer  
I got travelin on my mind

I'm not in love  
My heart don't pain  
cause you whiskey-drinkin' men  
don't mean a thing

yes I got to make a change  
you ain't no good at times  
and I can't stay no longer  
I got travelin' on my mind

(how'd it go..yeah..yeah..ooow wee!...play it for me boy..)

Now listen good women  
take my advice  
don't ever love a man  
cause he talks sweet and nice

Do you have to make a change?  
He ain't no good at times

and if you stay there long  
He'll put travelin on your mind.

(End)
